

Legal Aid Handbook 2020/21

Editors: Vicky Ling, Sue James and Carol Storer with Anthony Edwards

Legal Aid Handbook 2020/21 is the one book no legal aid lawyer can afford to be without. The only comprehensive guide to the legal aid scheme, it covers the legal framework, with full discussion of civil, criminal and family legal aid, and analysis of the leading case-law since LASPO.

Legal Aid Handbook 2020/21 provides:

- practical, step by step guidance on conducting cases, getting paid, advocacy, and financial and contract management
- comprehensive guidance on performance monitoring and quality standards
- specialist chapters on family, immigration, mental health, community care, housing, crime and new chapters on exceptional case funding and public law
- tactics and tips on using CCMS, with useful workarounds
- in-depth guidance on costs and a new chapter on IFA and ICA cost appeals
- all the latest policy developments

Packed full of case studies, checklists and practical tips.
